Dear Teacher:

The Teachers' Professional Improvement Committee (T-PIC) is a parity committee of teachers who are members of the Châteauguay Valley Teachers' Association (CVTA) and New Frontiers School Board (NFSB) personnel whose responsibility it is to allocate the funds available for teacher professional improvement. This committee is formed according to Chapter 7 of the Collective Agreement.

This handbook is available digitally on the CVTA website and on the NFSB Sharepoint.

The Committee asks that you read the booklet carefully, noting all requirements and deadlines to be met. Failure to do so may invalidate your application for funds or reimbursement of the same.

The Committee receives from the Ministry, as per Chapter 7 of the Collective Agreement, \$240 per full-time regular teacher and \$300 per full-time regular professional education teacher. **The maximum amount of funding potentially available to teachers is set at \$1000.** This amount includes the cost of supply teachers (\$255 per day), all workshops, conferences and part-time studies. These funds are available to assist in defraying the costs of professional improvement and are not intended to cover all such costs. **Money is allocated to teachers on a first-come, first-served basis until the annual funding from the Ministry has been exhausted. There IS NOT \$1000 available for each and every full-time equivalent teacher.** The total funding for teacher professional improvement available to the PIC per year is usually approximately \$90,000.

We wish you a successful school year and encourage you to take advantage of the many professional improvement opportunities that are available.

Teachers' Professional Improvement Committee

1. General Information

Please ensure that your COMPLETE requests for funds INCLUDING ALL NECESSARY SUPPORTING DOCUMENTATION are submitted to the Board Office **BEFORE to THE EVENT** for which you wish to receive funds.

1.1 Funding - Other Sources

Where financial aid may be obtained from other sources, teachers are encouraged to seek that aid before making an application to PIC.

1.2 Cancellations and/or modifications

Applicants must notify PIC, in writing, **within 30 days of the event**, if they wish to cancel the application if they do not attend the conference/course for which the Committee had allocated funds.

*All correspondence, queries, and applications should be directed to the **Board Office, c/o Teachers' PIC.***

1.3 Priorities for Workshops & Conferences

Priorities are as follows:

1. Special Needs Training
2. Cooperative learning
3. Inclusive Education
4. School improvement
5. Curriculum Reform
6. School Board priorities

Each application will be judged on its own merit. The Committee is disposed to award funding in accordance with School Board priorities.

2 - Eligibility for PIC Funding

Only teachers with a contract are potentially eligible for PIC funding up to a maximum of \$1000 within a school year (July 1 – June 30).

Money is allocated to teachers on a first-come, first-served basis until the annual funding from the Ministry has been exhausted. There IS NOT \$1000 available for each and every full-time equivalent teacher.

Teachers on contract will be funded proportionately to their contract percentage: e.g. 50% contract = 50% funding. A teacher on leave for the entire school year shall NOT be entitled to funding. All other situations will be considered by the Committee on an individual basis.

3 – Applications

3.1 Workshops/Conferences

3.1.1

Each application form will be judged on its own merit. Incomplete applications forms may be invalidated. Applications must be made by using the standardized application form and include **explanatory documentation**

which will clarify the application for the Committee. These forms are available through the principal's office or Board Office.

3.1.2

Complete application forms for financial aid for workshops and conferences must be submitted and received at the Board Office **before the start date of the event** to be considered by the Committee.

3.1.3

Application forms may be obtained from your school or centre office or the Board Office. These application forms must be signed by the principal/centre director and include explanatory documentation.

The signature of the principal/centre director is not for approval of the professional improvement endeavour but rather an acknowledgement that they have reviewed the application together to ensure it is complete and ready to submit. Approval of applications rests with the Committee and not with administration.

3.1.4

For PIC purposes, the school year goes from July 1st to June 30th. Conferences, workshops, or courses that start after July 1st will be funded from the upcoming school year budget.

3.2 - Part-time Studies

3.2.1 - Credit & Non-Credit Courses (maximum of \$1000 per school year)

Application forms may be obtained from your school or centre office or the Board Office. These application forms must include explanatory documentation, usually a course syllabus indicating the course name, code, start date, etc.

The Committee will be disposed to subsidize the tuition for part-time credit programs. Applications for funds for non-credit courses will be considered on their merits like conferences and workshops. The registration fee must be clearly indicated in the information document submitted. Studies that start after July 1st will be funded from the upcoming school year budget.

Applications must be submitted to T-PIC, care of the Board Office, on the standard form **within 20 calendar days of the beginning of the course (first class).**

3.2.2 - Fees

Fees (for these and any other universities) will be reimbursed as per the following schedule:

- Bishop's: \$ 150.00 / credit
- Concordia: \$ 150.00 / credit
- McGill: \$ 150.00 / credit
- Université de Sherbrooke: \$ 150.00 / credit
- Université du Québec à Montréal: \$ 150.00 / credit

It is the responsibility of the applicant for the application to be received well enough in advance that the application can be considered by the Committee before the date of the event or the beginning of the course.

4 – Financial Allocation for Teacher Substitution

Applicants should be aware that approximately **\$255** is paid for each day of substitution used. This amount is part of the money allocated to teachers and will be taken first. Application forms must indicate the number of days or minutes substitution needed, as substitution costs are paid out of PIC funds.

0 – 60 minutes:	\$51
61 – 150 minutes:	\$127
151 – 210 minutes:	\$178
210+ minutes:	\$255

Please note:

PIC is not responsible for substitution costs if PIC does not approve the application.

5 - Financial Allocation for Lodging

Applicants may claim expenses for lodging. The amount of the subsidy will depend on the number of people attending the event as well as the cost of the least expensive lodging associated with the event.

- **Original receipts** that include the applicant's name are required for PIC payment.
- **Food expenses will not be considered.**
- Teachers may claim a per diem stipend for lodging of \$40 for overnight stays in a private home when attending conferences or workshops.

6 - Financial Allocation for Transportation

6.1

For conferences or workshops, the Committee will be disposed to help defray the cost of transportation by car at the rate of **\$0.40** per kilometer (from the workstation) up to a maximum of \$400. **The actual mileage must be indicated on the application form and a hardcopy of a Google Map (or equivalent) showing the distance must be attached to the application as part of the explanatory documentation.**

6.1.2

- Car-pooling is encouraged.
- For travel by auto, a signed statement in lieu of receipts will be accepted.
- **The transportation rate structure of \$0.40/km includes parking and tolls.**
- **No compensation will be provided by PIC for travel for workshops within the NFSB territory.**

6.1.3

All other forms of transportation (plane, train, taxi, etc.) will be approved and reimbursed based on the amounts requested which are substantiated by official receipts (up to the maximum allotment of \$1000 per full-time teacher). **Estimates and quotes must be attached to the application as part of the explanatory documentation.**
